What information does the Application obtain and how is it used?

User Provided Information

The Application acquires the information you provide when you download and register the Application: the user-ID (a number) and the hospital-ID (also a number). These two numbers can not and will not be used by the Service Provider to acquire other information about you. The Service Provider may also use the provided information to provide you, through the Application, with important information.

Automatically Collected Information

In addition, the Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the Application.

Does the Application collect precise real time location information of the device?

This Application does not gather precise information about the location of your mobile device.

Do third parties see and/or have access to information obtained by the Application?

Only aggregated, anonymized data is periodically transmitted to external services to aid the Service Provider in improving the Application and their service. The Service Provider may share your information with third parties in the ways that are described in this privacy statement.

Please note that the Application utilizes third-party services that have their own Privacy Policy about handling data. Below are the links to the Privacy Policy of the third-party service providers used by the Application:

- [Sentry](#)

The Service Provider may disclose User Provided and Automatically Collected Information:

- as required by law, such as to comply with a subpoena, or similar legal process;
- when they believe in good faith that disclosure is necessary to protect their rights, protect your safety or the safety of others, investigate fraud, or respond to a government request;
- with their trusted services providers who work on their behalf, do not have an independent use of the information we disclose to them, and have agreed to adhere to the rules set forth in this privacy statement.

What are my opt-out rights?

You can halt all collection of information by the Application easily by uninstalling the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network.

Data Retention Policy, Managing Your Information

The Service Provider will retain User Provided data for as long as you use the Application and for a reasonable time thereafter. The Service Provider will retain Automatically Collected information for up to 24 months and thereafter may store it in aggregate. If you'd like the Service Provider to delete User Provided Data that you have provided via the Application, please contact them at info@amesbv.com and we will respond in a reasonable time. Please note that some or all of the User Provided Data may be required in order for the Application to function properly.

Security

The Service Provider is concerned about safeguarding the confidentiality of your information. The Service Provider provides physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to
